The Design Concept

Suasana 2, four phases (8B1, 8B2, 8B3 & 8B4) of the development at Bandar Ainsdale. Bandar Ainsdale is surrounded with residential area, commercial facilities, recreation and nature.

This development sits next to the Ainsdale Lake Garden and acts as a showcase wellness community. The Suasana 2 development is:

- Characterised by a uniform slope
- Provided with wide roads and easy access
- Linked by a centralized lake garden and opens out to strategic locations via North-South Expressway.
- Within close proximity to amenities such as schools, surau and shops
- Indoor thermal comfort is also well-regulated with all homes being North-South orientated.

Suasana 2 is comprised of two-storey terrace houses in lot size 20'x70' with varied design.

Design features include:

- A striking modern aesthetic with bold lines and colour accentuated facade elements and pitched roofs.
- Open plan arrangement with integrated Living, Dining and Kitchen to enhance the sense of continuity of the space.
- Ground floor integrated with elements extracted from Lifetime Homes concept, thus promote better space usage for multi-generational living.
- Family room is provided with large window opening for corner and end units, to provide extended space between the internal and external environment
- Indoor thermal comfort is also well-regulated with all homes being North-South orientated
